

“Me? A chauffeur? You kidding? I’m doing this ‘til I can open an espresso shop!”

There’s a world of difference between a guy who drives a limo and a professional limousine driver.

At Red Oak we have a cadre of professionals, most of whom have been with us for many years.

They have commercial drivers licenses. They’re trained in defensive driving. They’ve undergone background checks, fingerprinting and random drug checks

We attract the professionals because we’ve been professional

for 70 years. With benefits like 401K plans, health insurance.

And unlike many, we own all our vehicles. Our impeccably conditioned and maintained fleet is insured for 2 1/2 million dollars. We’re licensed by Westchester as well as New York City. Our fleet is inspected by the NYS DOT four times a year.

Wouldn’t you rather be in the hands of someone who drives professionally. Not temporarily.
